Datasheet for ABIN6907871

anti-PMCH antibody (Alexa Fluor 680)

Go to Product page

Overview

Quantity:	100 µL
Target:	PMCH
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This PMCH antibody is conjugated to Alexa Fluor 680
Application:	Please inquire

Product Details

Cross-Reactivity:	Human
Characteristics:	PMCH Conjugated Antibody

Target Details

Target:	PMCH
Alternative Name:	PMCH (PMCH Products)
Pathways:	Carbohydrate Homeostasis, Feeding Behaviour

Application Details

Application Notes:	AF680 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage:	4 °C
Storage Comment:	Store at 4°C for 6 months.
