Datasheet for ABIN1048228
Thyroglobulin Protein (TG)

Overview

Quantity:	100 µg
Target:	Thyroglobulin (TG)
Origin:	Human
Host:	Please inquire
Protein Type:	Native

Product Details

Purity:	> 95 % (SDS-PAGE)
---------	-------------------

Target Details

Target:	Thyroglobulin (TG)
Alternative Name:	Thyroglobulin (TG Products)
Pathways:	Thyroid Hormone Synthesis

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Format:	Lyophilized
Reconstitution:	Resuspend in aqua bidest for required concentration
Storage:	4 °C
