Datasheet for ABIN1062561  
**DERA Protein (AA 1-259)**

### Overview

---

Quantity:	1 mg
Target:	DERA
Protein Characteristics:	AA 1-259
Origin:	E. coli
Host:	Please inquire
Protein Type:	Recombinant

### Product Details

---

#### Target Details

---

Target:	DERA
Alternative Name:	Deoxyribose-Phosphate Aldolase ( <a href="#">DERA Products</a> )

#### Application Details

---

Restrictions:	For Research Use only
