## PAI1 Protein

[Go to Product page](#)

### Overview

|           |                 |
|-----------|-----------------|
| Quantity: | 1 mg            |
| Target:   | PAI1 (SERPINE1) |
| Origin:   | Human           |
| Host:     | Please inquire  |

### Product Details

#### Target Details

|                   |                                                                                                                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | PAI1 (SERPINE1)                                                                                                                                                                                                         |
| Alternative Name: | Plasminogen Activator Inhibitor-1 ( <a href="#">SERPINE1 Products</a> )                                                                                                                                                 |
| Pathways:         | <a href="#">p53 Signaling</a> , <a href="#">Cellular Response to Molecule of Bacterial Origin</a> , <a href="#">Carbohydrate Homeostasis</a> , <a href="#">Autophagy</a> , <a href="#">Smooth Muscle Cell Migration</a> |

#### Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|
