

Datasheet for ABIN1110930 **anti-Calretinin antibody**

[Go to Product page](#)

Overview

Quantity:	200 µg
Target:	Calretinin (CALB2)
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Application:	Western Blotting (WB), ELISA, Dot Blot (DB), Immunostaining (ISt), Immunoassay (IA), Cellular Assay (CA)

Product Details

Purification:	Affinity Purified
---------------	-------------------

Target Details

Target:	Calretinin (CALB2)
Alternative Name:	Calretinin (CALB2 Products)

Application Details

Restrictions:	For Research Use only
---------------	-----------------------

Handling

Format:	Lyophilized
Buffer:	PBS
