Datasheet for ABIN1110987  
**anti-MB antibody**

### Overview

Quantity:	200 µg
Target:	MB
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Application:	Western Blotting (WB), ELISA, Immunoassay (IA), Cellular Assay (CA), Dot Blot (DB), Immunostaining (ISt)

### Product Details

Purification:	Affinity Purified
---------------	-------------------

### Target Details

Target:	MB
Abstract:	<a href="#">MB Products</a>

### Application Details

Restrictions:	For Research Use only
---------------	-----------------------

### Handling

Format:	Lyophilized
Buffer:	PBS
