## Oncostatin M Receptor Protein (OSMR)

### Overview

Quantity:	50 µg
Target:	Oncostatin M Receptor (OSMR)
Origin:	Human
Host:	Please inquire
Protein Type:	Recombinant
Application:	Biochemical Assay (BCA)

### Product Details

#### Target Details

Target:	Oncostatin M Receptor (OSMR)
Alternative Name:	IL-31R beta (OSMR) ( <a href="#">OSMR Products</a> )
Pathways:	<a href="#">JAK-STAT Signaling, Growth Factor Binding</a>

#### Application Details

Restrictions:	For Research Use only
