Datasheet for ABIN1111708

IL-11 Protein

Overview

| | |
|---------------|-------------------------|
| Quantity: | 2 µg |
| Target: | IL-11 (IL11) |
| Origin: | Human |
| Host: | Please inquire |
| Protein Type: | Recombinant |
| Application: | Biochemical Assay (BCA) |

Product Details

Target Details

| | |
|-------------------|---|
| Target: | IL-11 (IL11) |
| Alternative Name: | Interleukin-11 (IL11 Products) |
| Pathways: | JAK-STAT Signaling , Negative Regulation of Hormone Secretion |

Application Details

| | |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|
