

Datasheet for ABIN1111716
IL-13 Protein

[Go to Product page](#)

Overview

Quantity:	2 µg
Target:	IL-13 (IL13)
Origin:	Rat
Host:	Please inquire
Protein Type:	Recombinant
Application:	Biochemical Assay (BCA)

Product Details

Target Details

Target:	IL-13 (IL13)
Alternative Name:	Interleukin-13 (IL13 Products)
Pathways:	JAK-STAT Signaling , Positive Regulation of Immune Effector Process , Production of Molecular Mediator of Immune Response , Proton Transport

Application Details

Restrictions:	For Research Use only
