

## Datasheet for ABIN1166444 **SCGB1A1 ELISA Kit**

[Go to Product page](#)

### Overview

|              |          |
|--------------|----------|
| Quantity:    | 96 tests |
| Target:      | SCGB1A1  |
| Reactivity:  | Cow      |
| Application: | ELISA    |

### Product Details

|                   |                                                                                                                                                                                                                                                                                  |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Detection Method: | Colorimetric                                                                                                                                                                                                                                                                     |
| Characteristics:  | Bos taurus,Bovine,Uteroglobin,Secretoglobin family 1A member 1,SCGB1A1,UGL                                                                                                                                                                                                       |
| Components:       | Reagent (Quantity): Assay plate (1), Standard (2), Sample Diluent (1x20ml), Assay Diluent A (1x10ml), Assay Diluent B (1x10ml), Detection Reagent A (1x120µl), Detection Reagent B (1x120µl), Wash Buffer(25 x concentrate) (1x30ml), Substrate (1x10ml), Stop Solution (1x10ml) |

### Target Details

|                   |                                                                                      |
|-------------------|--------------------------------------------------------------------------------------|
| Target:           | SCGB1A1                                                                              |
| Alternative Name: | SCGB1A1 ( <a href="#">SCGB1A1 Products</a> )                                         |
| Background:       | Synonyms: Bos taurus,Bovine,SCGB1A1,Secretoglobin family 1A member 1,UGL,Uteroglobin |

### Application Details

|                |                    |
|----------------|--------------------|
| Comment:       | Gene Name: SCGB1A1 |
| Sample Volume: | 100 µL             |
| Plate:         | Pre-coated         |

Application Details

---

Restrictions: For Research Use only

Handling

---

Storage: 4 °C/-20 °C

---

Storage Comment: The Standard, Detection Reagent A, Detection Reagent B and the 96-well strip plate should be stored at -20 °C upon being received. The other reagents can be stored at 4 °C.
