Datasheet for ABIN1356145  
**anti-Complement C1 antibody (Biotin)**

### Overview

Quantity:	150 µg
Target:	Complement C1
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This Complement C1 antibody is conjugated to Biotin

### Product Details

Isotype: IgG

### Target Details

Target: Complement C1

Abstract: [Complement C1 Products](#)

### Application Details

Restrictions: For Research Use only
