

## Datasheet for ABIN1474759 CDH6 Protein (AA 54-615) (His tag)

Overview Quantity: 1 mg CDH6 Target: Protein Characteristics: AA 54-615 Origin: Rat Source: Yeast Protein Type: Recombinant Purification tag / Conjugate: This CDH6 protein is labelled with His tag. Application: ELISA **Product Details** 

Sequence:	SWMWNQF FLLEEYTGSD YQYVGKLHSD QDRGDGSLKY ILSGDGAGDL FIINENTGDI

	cells or by baculovirus infection. Be aware about differences in price and lead time.			
Purity:	> 90 %			
Target Details				
Target:	CDH6			
Alternative Name:	Cadherin-6 (Cdh6) (CDH6 Products)			
Background:	Recommended name: Cadherin-6.			
	Alternative name(s): Kidney cadherin.			
	Short name= K-cadherin			
UniProt:	P55280			
Pathways:	Cell-Cell Junction Organization			
Application Details				
Comment:	The yeast protein expression system is the most economical and efficient eukaryotic system			
	for secretion and intracellular expression. A protein expressed by the mammalian cell system is			
	of very high-quality and close to the natural protein. But the low expression level, the high cost			
	of medium and the culture conditions restrict the promotion of mammalian cell expression			
	systems. The yeast protein expression system serve as a eukaryotic system integrate the			
	advantages of the mammalian cell expression system. A protein expressed by yeast system			
	could be modificated such as glycosylation, acylation, phosphorylation and so on to ensure the			
	native protein conformation. It can be used to produce protein material with high added value			
	that is very close to the natural protein. Our proteins produced by yeast expression system has			
	been used as raw materials for downstream preparation of monoclonal antibodies.			
Restrictions:	For Research Use only			
Handling				

Format:	Lyophilized
Concentration:	0.2-2 mg/mL
Buffer:	Tris-based buffer, 50 % glycerol
Handling Advice:	Repeated freezing and thawing is not recommended. Store working aliquots at 4 °C for up to one week

Order at www.antibodies-online.com | www.antikoerper-online.de | www.anticorps-enligne.fr | www.antibodies-online.cn International: +49 (0)241 95 163 153 | USA & Canada: +1 877 302 8632 | support@antibodies-online.com Page 2/3 | Product datasheet for ABIN1474759 | 07/26/2024 | Copyright antibodies-online. ## Handling

Storage:	-20 °C		

Storage Comment:

Store at -20 °C, for extended storage, conserve at -20 °C or -80 °C.
