# Datasheet for ABIN1614227 A1CF Protein (AA 1-594) (His tag)

Overview

Quantity:	1 mg
Target:	A1CF
Protein Characteristics:	AA 1-594
Origin:	Rat
Source:	Yeast
Protein Type:	Recombinant
Purification tag / Conjugate:	This A1CF protein is labelled with His tag.
Application:	ELISA

### Product Details

Sequence:	MESNHKSGDG LSGTQKEAAL RALVQRTGYS LVQENGQRKY GGPPPGWDTT PPERGCEIFI

	cells or by baculovirus infection. Be aware about differences in price and lead time.
Purity:	> 90 %
<b>T</b> ( <b>D</b> )	
Target Details	
Target:	A1CF

Abstract:	A1CF Products
Background:	Recommended name: APOB. EC1 complementation factor.
	Alternative name(s): APOB.
	EC1-stimulating protein
UniProt:	Q923K9

## Application Details

Comment:	The yeast protein expression system is the most economical and efficient eukaryotic system
	for secretion and intracellular expression. A protein expressed by the mammalian cell system is
	of very high-quality and close to the natural protein. But the low expression level, the high cost
	of medium and the culture conditions restrict the promotion of mammalian cell expression
	systems. The yeast protein expression system serve as a eukaryotic system integrate the
	advantages of the mammalian cell expression system. A protein expressed by yeast system
	could be modificated such as glycosylation, acylation, phosphorylation and so on to ensure the
	native protein conformation. It can be used to produce protein material with high added value
	that is very close to the natural protein. Our proteins produced by yeast expression system has
	been used as raw materials for downstream preparation of monoclonal antibodies.
Restrictions:	For Research Use only

### Handling

Format:	Lyophilized
Concentration:	0.2-2 mg/mL
Buffer:	Tris-based buffer, 50 % glycerol
Handling Advice:	Repeated freezing and thawing is not recommended. Store working aliquots at 4 °C for up to one week

Order at www.antibodies-online.com | www.antikoerper-online.de | www.anticorps-enligne.fr | www.antibodies-online.cn International: +49 (0)241 95 163 153 | USA & Canada: +1 877 302 8632 | support@antibodies-online.com Page 2/3 | Product datasheet for ABIN1614227 | 09/11/2023 | Copyright antibodies-online. ## Handling

	Storage:	-20 °C		
--	----------	--------	--	--

Storage Comment:

Store at -20 °C, for extended storage, conserve at -20 °C or -80 °C.
