Datasheet for ABIN1630457 UGDH Protein (AA 1-494) (His tag)

Overview

Quantity:	1 mg	
Target:	UGDH	
Protein Characteristics:	AA 1-494	
Origin:	Chicken	
Source:	Yeast	
Protein Type:	Recombinant	
Purification tag / Conjugate:	This UGDH protein is labelled with His tag.	
Application:	ELISA	

Product Details

Characteristics:	Please inquire if you are interested in this recombinant protein expressed in E. coli, mammalier cells or by baculovirus infection. Be aware about differences in price and lead time.
Specificity:	Gallus gallus (Chicken)
	KFSLQDPPVK KPRV

Product Details

Purity:

> 90 %

Target Details

Target:	UGDH		
Abstract:	UGDH Products		
Background:	Recommended name: UDP-glucose 6-dehydrogenase.		
	Short name= UDP-Glc dehydrogenase.		
	Short name= UDP-GlcDH.		
	Short name= UDPGDH.		
	EC= 1.1.1.22		
UniProt:	Q5F3T9		
Pathways:	Glycosaminoglycan Metabolic Process		

Application Details

Comment:	The yeast protein expression system is the most economical and efficient eukaryotic system
	for secretion and intracellular expression. A protein expressed by the mammalian cell system is
	of very high-quality and close to the natural protein. But the low expression level, the high cost
	of medium and the culture conditions restrict the promotion of mammalian cell expression
	systems. The yeast protein expression system serve as a eukaryotic system integrate the
	advantages of the mammalian cell expression system. A protein expressed by yeast system
	could be modificated such as glycosylation, acylation, phosphorylation and so on to ensure the
	native protein conformation. It can be used to produce protein material with high added value
	that is very close to the natural protein. Our proteins produced by yeast expression system has
	been used as raw materials for downstream preparation of monoclonal antibodies.
Restrictions:	For Research Use only

Handling

Format:	Lyophilized	
Concentration:	0.2-2 mg/mL	
Buffer:	Tris-based buffer, 50 % glycerol	
Handling Advice:	Repeated freezing and thawing is not recommended. Store working aliquots at 4 °C for up to one week	

Order at www.antibodies-online.com | www.antikoerper-online.de | www.anticorps-enligne.fr | www.antibodies-online.cn International: +49 (0)241 95 163 153 | USA & Canada: +1 877 302 8632 | support@antibodies-online.com Page 2/3 | Product datasheet for ABIN1630457 | 09/11/2023 | Copyright antibodies-online. Handling

	Storage:	-20 °C		
--	----------	--------	--	--

Storage Comment:

Store at -20 °C, for extended storage, conserve at -20 °C or -80 °C.
