antibodies

Datasheet for ABIN1633206 DCAF11 Protein (AA 1-549) (His tag)

Overview

Quantity:	1 mg
Target:	DCAF11
Protein Characteristics:	AA 1-549
Origin:	Rat
Source:	Yeast
Protein Type:	Recombinant
Purification tag / Conjugate:	This DCAF11 protein is labelled with His tag.
Application:	ELISA

Product Details

Sequence:	MGSRNSSSAG SGSLEPSEGL SRRGAGLRRS EEEEEDEDV DLAQVLAYLL RRGQVRLVQG

Product Details	
	cells or by baculovirus infection. Be aware about differences in price and lead time.
Purity:	> 90 %
Target Details	
Target:	DCAF11
Alternative Name:	DDB1- and CUL4-associated factor 11 (Dcaf11) (DCAF11 Products)
Background:	Recommended name: DDB1- and CUL4-associated factor 11.
	Alternative name(s): WD repeat-containing protein 23
UniProt:	Q5M9G8
Application Details	
Comment:	The yeast protein expression system is the most economical and efficient eukaryotic system
	for secretion and intracellular expression. A protein expressed by the mammalian cell system is
	of very high-quality and close to the natural protein. But the low expression level, the high cost
	of medium and the culture conditions restrict the promotion of mammalian cell expression
	systems. The yeast protein expression system serve as a eukaryotic system integrate the
	advantages of the mammalian cell expression system. A protein expressed by yeast system
	could be modificated such as glycosylation, acylation, phosphorylation and so on to ensure the
	native protein conformation. It can be used to produce protein material with high added value
	that is very close to the natural protein. Our proteins produced by yeast expression system has
	been used as raw materials for downstream preparation of monoclonal antibodies.
Restrictions:	For Research Use only
Handling	
Format:	Lyophilized
Concentration:	0.2-2 mg/mL
Buffer:	Tris-based buffer, 50 % glycerol

Store at -20 °C, for extended storage, conserve at -20 °C or -80 °C.

Handling Advice:

Storage Comment:

Storage:

one week

-20 °C

Repeated freezing and thawing is not recommended. Store working aliquots at 4 °C for up to
