## Overview

|              |                                                          |
|--------------|----------------------------------------------------------|
| Quantity:    | 100 µg                                                   |
| Target:      | SNAP25                                                   |
| Reactivity:  | Rat, Mouse                                               |
| Host:        | Rabbit                                                   |
| Clonality:   | Polyclonal                                               |
| Conjugate:   | This SNAP25 antibody is conjugated to Magnetic Particles |
| Application: | Immunoprecipitation (IP)                                 |

## Product Details

### Target Details

|                   |                                                                                                                                                                                                  |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | SNAP25                                                                                                                                                                                           |
| Alternative Name: | SNAP25 ( <a href="#">SNAP25 Products</a> )                                                                                                                                                       |
| Pathways:         | <a href="#">Positive Regulation of Peptide Hormone Secretion</a> , <a href="#">Hormone Transport</a> , <a href="#">Synaptic Vesicle Exocytosis</a> , <a href="#">Dicarboxylic Acid Transport</a> |

### Application Details

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

### Handling

|          |      |
|----------|------|
| Storage: | 4 °C |
|----------|------|
