

Datasheet for ABIN1719953 **ANG ELISA Kit**

[Go to Product page](#)

Overview

Quantity: 96 tests

Target: ANG

Reactivity: Human

Method Type: Sandwich ELISA

Application: ELISA

Product Details

Analytical Method: Quantitative

Detection Method: Colorimetric

Target Details

Target: ANG

Alternative Name: ANG / Angiogenin ([ANG Products](#))

Application Details

Plate: Pre-coated

Restrictions: For Research Use only

Handling

Storage: 4 °C/-20 °C
