

Datasheet for ABIN1720017 **Selectin E/CD62e ELISA Kit**

[Go to Product page](#)

Overview

| | |
|--------------|-------------------------|
| Quantity: | 96 tests |
| Target: | Selectin E/CD62e (SELE) |
| Reactivity: | Human |
| Method Type: | Sandwich ELISA |
| Application: | ELISA |

Product Details

| | |
|--------------------|--------------|
| Analytical Method: | Quantitative |
| Detection Method: | Colorimetric |

Target Details

| | |
|-------------------|---|
| Target: | Selectin E/CD62e (SELE) |
| Alternative Name: | E-Selectin (SELE Products) |
| Pathways: | Thromboxane A2 Receptor Signaling |

Application Details

| | |
|---------------|-----------------------|
| Plate: | Pre-coated |
| Restrictions: | For Research Use only |

Handling

| | |
|----------|-------------|
| Storage: | 4 °C/-20 °C |
|----------|-------------|
