

## Datasheet for ABIN1720153 **Leptin Receptor ELISA Kit**

[Go to Product page](#)

### Overview

Quantity:	96 tests
Target:	Leptin Receptor (LEPR)
Reactivity:	Human
Method Type:	Sandwich ELISA
Application:	ELISA

### Product Details

Analytical Method:	Quantitative
Detection Method:	Colorimetric

### Target Details

Target:	Leptin Receptor (LEPR)
Alternative Name:	Leptin R ( <a href="#">LEPR Products</a> )
Pathways:	<a href="#">JAK-STAT Signaling</a> , <a href="#">AMPK Signaling</a> , <a href="#">Feeding Behaviour</a>

### Application Details

Plate:	Pre-coated
Restrictions:	For Research Use only

### Handling

Storage:	4 °C/-20 °C
