**Survivin ELISA Kit**

[Go to Product page](#)

## Overview

Quantity:	96 tests
Target:	Survivin (BIRC5)
Reactivity:	Human
Method Type:	Sandwich ELISA
Application:	ELISA

## Product Details

Analytical Method:	Quantitative
Detection Method:	Colorimetric

## Target Details

Target:	Survivin (BIRC5)
Alternative Name:	Survivin ( <a href="#">BIRC5 Products</a> )
Pathways:	<a href="#">Apoptosis</a> , <a href="#">Cell Division Cycle</a> , <a href="#">Nuclear Hormone Receptor Binding</a>

## Application Details

Plate:	Pre-coated
Restrictions:	For Research Use only

## Handling

Storage:	4 °C/-20 °C
