

Datasheet for ABIN1720361  
**Cathepsin B ELISA Kit**

[Go to Product page](#)

## Overview

Quantity:	96 tests
Target:	Cathepsin B (CTSB)
Reactivity:	Mouse
Method Type:	Sandwich ELISA
Application:	ELISA

## Product Details

Analytical Method:	Quantitative
Detection Method:	Colorimetric

## Target Details

Target:	Cathepsin B (CTSB)
Alternative Name:	Cathepsin B ( <a href="#">CTSB Products</a> )
Pathways:	<a href="#">Activation of Innate immune Response, Toll-Like Receptors Cascades</a>

## Application Details

Plate:	Pre-coated
Restrictions:	For Research Use only

## Handling

Storage:	4 °C/-20 °C
