

Datasheet for ABIN1720525 Resistin ELISA Kit

[Go to Product page](#)

Overview

Quantity:	96 tests
Target:	Resistin (RETN)
Reactivity:	Mouse
Method Type:	Sandwich ELISA
Application:	ELISA

Product Details

Analytical Method:	Quantitative
Detection Method:	Colorimetric

Target Details

Target:	Resistin (RETN)
Alternative Name:	Resistin (RETN Products)
Pathways:	Feeding Behaviour , Smooth Muscle Cell Migration

Application Details

Plate:	Pre-coated
Restrictions:	For Research Use only

Handling

Storage:	4 °C/-20 °C
