**Thrombopoietin ELISA Kit**

[Go to Product page](#)

## Overview

Quantity: 96 tests

Target: Thrombopoietin (THPO)

Reactivity: Mouse

Method Type: Sandwich ELISA

Application: ELISA

## Product Details

Analytical Method: Quantitative

Detection Method: Colorimetric

## Target Details

Target: Thrombopoietin (THPO)

Alternative Name: Thrombopoietin ([THPO Products](#))

Pathways: [JAK-STAT Signaling, Hormone Activity](#)

## Application Details

Plate: Pre-coated

Restrictions: For Research Use only

## Handling

Storage: 4 °C/-20 °C
