## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 400 µL                               |
| Target:              | LETM1                                |
| Binding Specificity: | AA 577-607                           |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This LETM1 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This LETM1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 577-607 amino acids from the C-terminal region of human LETM1. |
| Purification: | Protein A purified                                                                                                                                                     |

## Target Details

|                   |                                                           |
|-------------------|-----------------------------------------------------------|
| Target:           | LETM1                                                     |
| Alternative Name: | LETM1 ( <a href="#">LETM1 Products</a> )                  |
| Background:       | Name/Gene ID: LETM1<br><br>Synonyms: LETM1, Mdm38 homolog |
| Gene ID:          | 3954                                                      |

## Target Details

UniProt: [O95202](#)

## Application Details

Application Notes: Approved: WB (1:1000)

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: PBS, 0.09 % sodium azide

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: 4 °C,-20 °C

Storage Comment: Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Expiry Date: 6 months
