## Overview

|                      |                                                                                                                |
|----------------------|----------------------------------------------------------------------------------------------------------------|
| Quantity:            | 400 µL                                                                                                         |
| Target:              | TP53INP1                                                                                                       |
| Binding Specificity: | AA 36-64                                                                                                       |
| Reactivity:          | Human                                                                                                          |
| Host:                | Rabbit                                                                                                         |
| Clonality:           | Polyclonal                                                                                                     |
| Conjugate:           | This TP53INP1 antibody is un-conjugated                                                                        |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

## Product Details

|               |                                                                                                                                                                            |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This TP53INP1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 36-64 amino acids from the N-terminal region of human TP53INP1. |
| Purification: | Protein A purified                                                                                                                                                         |

## Target Details

|                   |                                                      |
|-------------------|------------------------------------------------------|
| Target:           | TP53INP1                                             |
| Alternative Name: | SIP / TP53INP1 ( <a href="#">TP53INP1 Products</a> ) |
| Background:       | Name/Gene ID: TP53INP1<br>Family: Apoptosis          |

## Target Details

|          |                                                                                                                          |
|----------|--------------------------------------------------------------------------------------------------------------------------|
|          | Synonyms: TP53INP1, p53DINP1, SIP, Teap, TP53DINP1, TP53INP1A, p53-inducible p53DINP1, Stress-induced protein, TP53INP1B |
| Gene ID: | 94241                                                                                                                    |
| UniProt: | <a href="#">Q96A56</a>                                                                                                   |

## Application Details

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Application Notes: | Approved: IHC, IHC-P (1:10 - 1:50), WB (1:1000) |
| Comment:           | Target Species of Antibody: Human               |
| Restrictions:      | For Research Use only                           |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide                                                                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
