

Datasheet for ABIN1810998  
**anti-LIN28A antibody (pSer134)**

[Go to Product page](#)

## Overview

|                      |                                                                   |
|----------------------|-------------------------------------------------------------------|
| Quantity:            | 400 µL                                                            |
| Target:              | LIN28A                                                            |
| Binding Specificity: | pSer134                                                           |
| Reactivity:          | Human                                                             |
| Host:                | Rabbit                                                            |
| Clonality:           | Polyclonal                                                        |
| Conjugate:           | This LIN28A antibody is un-conjugated                             |
| Application:         | Immunofluorescence (IF), Dot Blot (DB), Immunocytochemistry (ICC) |

## Product Details

|               |                                                                                                                                                                              |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This LIN28 Antibody is generated from rabbits immunized with a KLH conjugated synthetic phosphopeptide corresponding to amino acid residues surrounding S134 of human LIN28. |
| Purification: | Protein A purified                                                                                                                                                           |

## Target Details

|                   |                                                                                                                                                                                                       |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | LIN28A                                                                                                                                                                                                |
| Alternative Name: | LIN28A / LIN28 ( <a href="#">LIN28A Products</a> )                                                                                                                                                    |
| Background:       | Name/Gene ID: LIN28A<br><br>Synonyms: LIN28A, CSDD1, Lin-28 homolog (C. elegans), LIN-28, Lin-28A, LIN28, Protein lin-28 homolog A, Lin-28 homolog A (C. elegans), ZCCHC1, RNA-binding protein LIN-28 |

### Target Details

|           |                                       |
|-----------|---------------------------------------|
| Gene ID:  | 79727                                 |
| UniProt:  | <a href="#">Q9H9Z2</a>                |
| Pathways: | <a href="#">Stem Cell Maintenance</a> |

### Application Details

|                    |                                       |
|--------------------|---------------------------------------|
| Application Notes: | Approved: DB (1:500), ICC, IF (1:100) |
| Comment:           | Target Species of Antibody: Human     |
| Restrictions:      | For Research Use only                 |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide                                                                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
