## Overview

|                      |                                       |
|----------------------|---------------------------------------|
| Quantity:            | 400 µL                                |
| Target:              | COL6A2                                |
| Binding Specificity: | AA 719-747                            |
| Reactivity:          | Human                                 |
| Host:                | Rabbit                                |
| Clonality:           | Polyclonal                            |
| Conjugate:           | This COL6A2 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                 |

## Product Details

|               |                                                                                                                                                                          |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This COL6A2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 719-747 amino acids from the C-terminal region of human COL6A2. |
| Purification: | Protein A purified                                                                                                                                                       |

## Target Details

|                   |                                                                                                                                                 |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | COL6A2                                                                                                                                          |
| Alternative Name: | COL6A2 / Collagen VI Alpha 2 ( <a href="#">COL6A2 Products</a> )                                                                                |
| Background:       | Name/Gene ID: COL6A2<br>Family: Collagen<br><br>Synonyms: COL6A2, Collagen alpha-2(VI) chain, Collagen, type VI, alpha 2, Collagen alpha 2(vi), |

### Target Details

|          |                        |
|----------|------------------------|
|          | PP3610                 |
| Gene ID: | 1292                   |
| UniProt: | <a href="#">P12110</a> |

### Application Details

|                    |                                   |
|--------------------|-----------------------------------|
| Application Notes: | Approved: WB (1:1000)             |
| Comment:           | Target Species of Antibody: Human |
| Restrictions:      | For Research Use only             |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide                                                                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
