## Overview

|                      |                                                                                                                |
|----------------------|----------------------------------------------------------------------------------------------------------------|
| Quantity:            | 400 µL                                                                                                         |
| Target:              | CHST3                                                                                                          |
| Binding Specificity: | AA 25-54                                                                                                       |
| Reactivity:          | Human, Mouse                                                                                                   |
| Host:                | Rabbit                                                                                                         |
| Clonality:           | Polyclonal                                                                                                     |
| Conjugate:           | This CHST3 antibody is un-conjugated                                                                           |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

## Product Details

|               |                                                                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This CHST3 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 25-54 amino acids from the N-terminal region of human CHST3. |
| Purification: | Protein A purified                                                                                                                                                   |

## Target Details

|                   |                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------|
| Target:           | CHST3                                                                                                       |
| Alternative Name: | CHST3 ( <a href="#">CHST3 Products</a> )                                                                    |
| Background:       | Name/Gene ID: CHST3<br><br>Synonyms: CHST3, C6ST, C6ST-1, Chondroitin 6-sulfotransferase, HSD, GST-0, C6ST1 |

## Target Details

|           |                                                     |
|-----------|-----------------------------------------------------|
| Gene ID:  | 9469                                                |
| UniProt:  | <a href="#">Q7LGC8</a>                              |
| Pathways: | <a href="#">Glycosaminoglycan Metabolic Process</a> |

## Application Details

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Application Notes: | Approved: IHC, IHC-P (1:50 - 1:100), WB (1:1000) |
| Comment:           | Target Species of Antibody: Human                |
| Restrictions:      | For Research Use only                            |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide                                                                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C, -20 °C                                                                                                           |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
