## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µL                                                   |
| Target:              | PLEKHG6                                                  |
| Binding Specificity: | AA 196-453                                               |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This PLEKHG6 antibody is un-conjugated                   |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                           |
|---------------|-----------------------------------------------------------|
| Immunogen:    | A recombinant human PLEKHG6 protein 196-453aa (BC105961). |
|               | Type of Immunogen: Recombinant protein                    |
| Specificity:  | Human PLEKHG6.                                            |
| Purification: | Affinity purified                                         |

## Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Target:           | PLEKHG6                                      |
| Alternative Name: | PLEKHG6 ( <a href="#">PLEKHG6 Products</a> ) |
| Background:       | Name/Gene ID: PLEKHG6                        |

### Target Details

|          |                           |
|----------|---------------------------|
|          | Synonyms: PLEKHG6, MyoGEF |
| Gene ID: | 55200                     |
| UniProt: | <a href="#">Q3KR16</a>    |

### Application Details

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA (1:20000 - 1:80000), IHC (1:100 - 1:500), WB (1:1000 - 1:2000) |
| Comment:           | Target Species of Antibody: Human                                              |
| Restrictions:      | For Research Use only                                                          |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, pH 7.4, 0.02 % sodium azide                                                                                       |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C for up to 1 year.                                                                                       |
| Expiry Date:       | 12 months                                                                                                              |
