

## Datasheet for ABIN1818200 **anti-UHRF1 antibody**

[Go to Product page](#)

### Overview

|              |                                                  |
|--------------|--------------------------------------------------|
| Quantity:    | 100 µg                                           |
| Target:      | UHRF1                                            |
| Reactivity:  | Mouse                                            |
| Host:        | Rat                                              |
| Clonality:   | Monoclonal                                       |
| Conjugate:   | This UHRF1 antibody is un-conjugated             |
| Application: | Western Blotting (WB), Immunocytochemistry (ICC) |

### Product Details

|            |                          |
|------------|--------------------------|
| Immunogen: | Mouse thymic lymphoma.   |
|            | Type of Immunogen: Cells |
| Clone:     | Th-10a                   |
| Isotype:   | IgG2a kappa              |

### Target Details

|                   |                                                                                       |
|-------------------|---------------------------------------------------------------------------------------|
| Target:           | UHRF1                                                                                 |
| Alternative Name: | UHRF1 ( <a href="#">UHRF1 Products</a> )                                              |
| Background:       | Name/Gene ID: UHRF1                                                                   |
|                   | Synonyms: UHRF1, HUHRF1, HuNp95, Nuclear protein 95, RING finger protein 106, RNF106, |

Target Details

|          |                                                  |
|----------|--------------------------------------------------|
|          | Transcription factor ICBP90, HNP95, ICBP90, Np95 |
| Gene ID: | 29128                                            |
| UniProt: | <a href="#">Q96T88</a>                           |

Application Details

|                    |                             |
|--------------------|-----------------------------|
| Application Notes: | Approved: ICC, WB (1 µg/mL) |
| Restrictions:      | For Research Use only       |

Handling

|                  |                            |
|------------------|----------------------------|
| Format:          | Liquid                     |
| Concentration:   | Lot specific               |
| Buffer:          | PBS, pH 7.2, 50 % glycerol |
| Storage:         | -20 °C                     |
| Storage Comment: | Store at -20°C.            |
