### Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 400 µL                              |
| Target:              | PGK2                                |
| Binding Specificity: | AA 305-333                          |
| Reactivity:          | Human                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This PGK2 antibody is un-conjugated |
| Application:         | Western Blotting (WB)               |

### Product Details

|               |                                                                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This PGK2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 305-333 amino acids from the C-terminal region of human PGK2. |
| Purification: | Ammonium sulfate precipitation                                                                                                                                       |

### Target Details

|                   |                                                                    |
|-------------------|--------------------------------------------------------------------|
| Target:           | PGK2                                                               |
| Alternative Name: | PGK2 ( <a href="#">PGK2 Products</a> )                             |
| Background:       | Name/Gene ID: PGK2<br>Subfamily: PGK<br>Family: Non-protein Kinase |

## Target Details

|          |                                                                           |
|----------|---------------------------------------------------------------------------|
|          | Synonyms: PGK2, DJ417L20.2, PGKPS, PGK-2, Phosphoglycerate kinase 2, PGKB |
| Gene ID: | 5232                                                                      |
| UniProt: | <a href="#">P07205</a>                                                    |

## Application Details

|                    |                                   |
|--------------------|-----------------------------------|
| Application Notes: | Approved: WB (1:1000)             |
| Comment:           | Target Species of Antibody: Human |
| Restrictions:      | For Research Use only             |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide                                                                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
