## Overview

|                      |                                                                                                                |
|----------------------|----------------------------------------------------------------------------------------------------------------|
| Quantity:            | 400 µL                                                                                                         |
| Target:              | CDC23                                                                                                          |
| Binding Specificity: | AA 140-168                                                                                                     |
| Reactivity:          | Human                                                                                                          |
| Host:                | Rabbit                                                                                                         |
| Clonality:           | Polyclonal                                                                                                     |
| Conjugate:           | This CDC23 antibody is un-conjugated                                                                           |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

## Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This CDC23 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 140-168 amino acids from the N-terminal region of human CDC23. |
| Purification: | Ammonium sulfate precipitation                                                                                                                                         |

## Target Details

|                   |                                                                                                              |
|-------------------|--------------------------------------------------------------------------------------------------------------|
| Target:           | CDC23                                                                                                        |
| Alternative Name: | CDC23 ( <a href="#">CDC23 Products</a> )                                                                     |
| Background:       | Name/Gene ID: CDC23<br><br>Synonyms: CDC23, ANAPC8, APC8, Cell division cycle 23, CUT23, Cyclosome subunit 8 |

Target Details

|           |                                              |
|-----------|----------------------------------------------|
| Gene ID:  | 8697                                         |
| UniProt:  | <a href="#">Q9UJX2</a>                       |
| Pathways: | <a href="#">Protein targeting to Nucleus</a> |

Application Details

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Application Notes: | Approved: IHC, IHC-P (1:10 - 1:50), WB (1:1000) |
| Comment:           | Target Species of Antibody: Human               |
| Restrictions:      | For Research Use only                           |

Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide                                                                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
