

## Datasheet for ABIN1856373 **anti-MAGI3 antibody**

[Go to Product page](#)

### Overview

|              |                                                          |
|--------------|----------------------------------------------------------|
| Quantity:    | 100 µL                                                   |
| Target:      | MAGI3                                                    |
| Reactivity:  | Human                                                    |
| Host:        | Rabbit                                                   |
| Clonality:   | Polyclonal                                               |
| Conjugate:   | This MAGI3 antibody is un-conjugated                     |
| Application: | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

### Product Details

|               |                                              |
|---------------|----------------------------------------------|
| Specificity:  | Rabbit Polyclonal against the MAGI3 protein. |
| Purification: | Antigen Affinity Purified                    |

### Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | MAGI3                                    |
| Alternative Name: | MAGI3 ( <a href="#">MAGI3 Products</a> ) |

### Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

---

|         |                      |
|---------|----------------------|
| Format: | Liquid               |
| Buffer: | Buffer contains BSA. |
