

Datasheet for ABIN1891386

**anti-ADAM32 antibody (AA 141-169) (PE)**[Go to Product page](#)

## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | ADAM32                                   |
| Binding Specificity: | AA 141-169                               |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This ADAM32 antibody is conjugated to PE |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                          |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                      |
| Specificity:  | This ADAM32 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 141-169 amino acids from the N-terminal region of human ADAM32. |
| Purification: | Affinity purified                                                                                                                                                        |

## Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | ADAM32                                                |
| Alternative Name: | ADAM32 ( <a href="#">ADAM32 Products</a> )            |
| Background:       | Name/Gene ID: ADAM32<br><br>Synonyms: ADAM32, ADAM 32 |

### Target Details

Gene ID: 203102

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
