## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | ADRM1 (Adrm1)                            |
| Binding Specificity: | AA 368-397                               |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This ADRM1 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                    |
| Specificity:  | This ADRM1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 368-397 amino acids from the C-terminal region of human ADRM1. |
| Purification: | Affinity purified                                                                                                                                                      |

## Target Details

|                   |                                                                                        |
|-------------------|----------------------------------------------------------------------------------------|
| Target:           | ADRM1 (Adrm1)                                                                          |
| Alternative Name: | ADRM1 / Rpn13 ( <a href="#">Adrm1 Products</a> )                                       |
| Background:       | Name/Gene ID: ADRM1                                                                    |
|                   | Synonyms: ADRM1, Adhesion regulating molecule 1, Adhesion-regulating molecule 1, ARM1, |

### Target Details

|           |                                                                          |
|-----------|--------------------------------------------------------------------------|
|           | gp110, HRpn13, Rpn13 homolog, M(r) 110,000 surface antigen, ARM-1, Rpn13 |
| Gene ID:  | 11047                                                                    |
| Pathways: | <a href="#">Positive Regulation of Endopeptidase Activity</a>            |

### Application Details

|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                      |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
