Datasheet for ABIN1893227

**anti-AOAH antibody (AA 168-197) (Biotin)**

## Overview

|                      |  |
|----------------------|--|
| Quantity:            | 200 µL                                     |
| Target:              | AOAH                                       |
| Binding Specificity: | AA 168-197                                 |
| Reactivity:          | Human, Mouse                               |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This AOAH antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA               |

## Product Details

|               |   |
|---------------|---|
| Isotype:      | IgG   |
| Specificity:  | This AOAH antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 168-197 amino acids from the Central region of human AOAH. |
| Purification: | Affinity purified   |

## Target Details

|                   |   |
|-------------------|---|
| Target:           | AOAH  |
| Alternative Name: | AOAH / Acyloxyacyl Hydrolase ( <a href="#">AOAH Products</a> )  |
| Background:       | Name/Gene ID: AOAH<br><br>Synonyms: AOAH, Acyloxyacyl hydrolase |

## Target Details

|          |     |
|----------|-----|
| Gene ID: | 313 |
|----------|-----|

## Application Details

|                    |                     |
|--------------------|---------------------|
| Application Notes: | Approved: ELISA, WB |
|--------------------|---------------------|

Usage: The applications listed have been tested for the unconjugated form of this product.  
Other forms have not been tested.

|          |                                   |
|----------|-----------------------------------|
| Comment: | Target Species of Antibody: Human |
|----------|-----------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                |              |
|----------------|--------------|
| Concentration: | Lot specific |
|----------------|--------------|

|         |                             |
|---------|-----------------------------|
| Buffer: | PBS, no preservatives added |
|---------|-----------------------------|

|               |                      |
|---------------|----------------------|
| Preservative: | Without preservative |
|---------------|----------------------|

|                  |   |
|------------------|---|
| Handling Advice: | Aliquot to avoid repeated freezing and thawing. |
|------------------|---|

|          |              |
|----------|--------------|
| Storage: | 4 °C, -20 °C |
|----------|--------------|

|                  |  |
|------------------|--|
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
|------------------|--|

|              |          |
|--------------|----------|
| Expiry Date: | 6 months |
|--------------|----------|
