

Datasheet for ABIN1895270

**anti-FBXO24 antibody (AA 118-145) (PE)**[Go to Product page](#)

## Overview

|                      |                                                                                 |
|----------------------|---------------------------------------------------------------------------------|
| Quantity:            | 200 µL                                                                          |
| Target:              | FBXO24                                                                          |
| Binding Specificity: | AA 118-145                                                                      |
| Reactivity:          | Human, Mouse                                                                    |
| Host:                | Rabbit                                                                          |
| Clonality:           | Polyclonal                                                                      |
| Conjugate:           | This FBXO24 antibody is conjugated to PE                                        |
| Application:         | Western Blotting (WB), ELISA, Flow Cytometry (FACS), Immunohistochemistry (IHC) |

## Product Details

|               |                                                                                                                                                                       |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                   |
| Specificity:  | This FBXO24 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 118-145 amino acids from the Central region of human FBXO24. |
| Purification: | Affinity purified                                                                                                                                                     |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | FBXO24                                     |
| Alternative Name: | FBXO24 ( <a href="#">FBXO24 Products</a> ) |
| Background:       | Name/Gene ID: FBXO24<br>Family: F-Box      |

## Target Details

|          |                                                                                       |
|----------|---------------------------------------------------------------------------------------|
|          | Synonyms: FBXO24, F-box protein Fbx24, FBX24, F-box only protein 24, F-box protein 24 |
| Gene ID: | 26261                                                                                 |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, IHC, WB                                                                                                   |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
