

Datasheet for ABIN1897490  
**anti-GALNT9 antibody (AA 296-322) (APC)**

[Go to Product page](#)

## Overview

|                      |                                           |
|----------------------|-------------------------------------------|
| Quantity:            | 200 µL                                    |
| Target:              | GALNT9                                    |
| Binding Specificity: | AA 296-322                                |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This GALNT9 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA              |

## Product Details

|               |                                                                                                                                                                       |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                   |
| Specificity:  | This GALNT9 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 296-322 amino acids from the Central region of human GALNT9. |
| Purification: | Affinity purified                                                                                                                                                     |

## Target Details

|                                                                 |                                            |
|-----------------------------------------------------------------|--------------------------------------------|
| Target:                                                         | GALNT9                                     |
| Alternative Name:                                               | GALNT9 ( <a href="#">GALNT9 Products</a> ) |
| Background:                                                     | Name/Gene ID: GALNT9                       |
| Synonyms: GALNT9, GalNAc transferase 9, GALNAC-T9, Pp-GaNTase 9 |                                            |

## Target Details

Gene ID: 50614

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
