## Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | TUBGCP3                                    |
| Binding Specificity: | AA 787-816                                 |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This TUBGCP3 antibody is conjugated to HRP |
| Application:         | Western Blotting (WB), ELISA               |

## Product Details

|               |                                                                                                                                                                            |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                        |
| Specificity:  | This TUBGCP3 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 787-816 amino acids from the C-terminal region of human TUBGCP3. |
| Purification: | Affinity purified                                                                                                                                                          |

## Target Details

|                                                                                |                                                     |
|--------------------------------------------------------------------------------|-----------------------------------------------------|
| Target:                                                                        | TUBGCP3                                             |
| Alternative Name:                                                              | GCP3 / TUBGCP3 ( <a href="#">TUBGCP3 Products</a> ) |
| Background:                                                                    | Name/Gene ID: TUBGCP3                               |
| Synonyms: TUBGCP3, GCP3, H104p, GCP-3, HGrip104, SPBC98, Spc98p, HGCP3, HSpc98 |                                                     |

### Target Details

|           |                                                         |
|-----------|---------------------------------------------------------|
| Gene ID:  | 10426                                                   |
| Pathways: | <a href="#">M Phase, SARS-CoV-2 Protein Interactome</a> |

### Application Details

|                    |                                                                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                                                                     |
| Restrictions:      | For Research Use only                                                                                                                                                                                 |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
