## Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | AMFR                                       |
| Binding Specificity: | AA 371-400                                 |
| Reactivity:          | Human                                      |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This AMFR antibody is conjugated to Biotin |
| Application:         | Western Blotting (WB), ELISA               |

## Product Details

|               |                                                                                                                                                                   |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                               |
| Specificity:  | This AMFR antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 371-400 amino acids from the Central region of human AMFR. |
| Purification: | Affinity purified                                                                                                                                                 |

## Target Details

|                   |                                               |
|-------------------|-----------------------------------------------|
| Target:           | AMFR                                          |
| Alternative Name: | GP78 / AMFR ( <a href="#">AMFR Products</a> ) |
| Background:       | Name/Gene ID: AMFR                            |

Synonyms: AMFR, AMF receptor, isoform 1, AMF receptor, isoform 2, gp78, RNF45, RING finger

Target Details

|           |                                      |
|-----------|--------------------------------------|
|           | protein 45                           |
| Gene ID:  | 267                                  |
| Pathways: | <a href="#">ER-Nucleus Signaling</a> |

Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
