

Datasheet for ABIN1902111  
**anti-HIST1H2AB antibody (AA 12-40) (PE)**

[Go to Product page](#)

## Overview

|                      |                                                                                 |
|----------------------|---------------------------------------------------------------------------------|
| Quantity:            | 200 µL                                                                          |
| Target:              | HIST1H2AB                                                                       |
| Binding Specificity: | AA 12-40                                                                        |
| Reactivity:          | Human                                                                           |
| Host:                | Rabbit                                                                          |
| Clonality:           | Polyclonal                                                                      |
| Conjugate:           | This HIST1H2AB antibody is conjugated to PE                                     |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Flow Cytometry (FACS) |

## Product Details

|               |                                                                                                                                                                              |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                          |
| Specificity:  | This HIST1H2AB antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 12-40 amino acids from the N-terminal region of human HIST1H2AB. |
| Purification: | Affinity purified                                                                                                                                                            |

## Target Details

|                   |                                                  |
|-------------------|--------------------------------------------------|
| Target:           | HIST1H2AB                                        |
| Alternative Name: | HIST1H2AB ( <a href="#">HIST1H2AB Products</a> ) |
| Background:       | Name/Gene ID: HIST1H2AB                          |

### Target Details

|           |                                      |
|-----------|--------------------------------------|
|           | Synonyms: HIST1H2AB                  |
| Gene ID:  | 8335                                 |
| Pathways: | <a href="#">Telomere Maintenance</a> |

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, IHC, WB                                                                                                   |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C, -20 °C                                                                                                                   |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
