## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 200 µL                                                   |
| Target:              | HOXD10                                                   |
| Binding Specificity: | AA 201-230                                               |
| Reactivity:          | Human, Mouse                                             |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This HOXD10 antibody is conjugated to Biotin             |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                                                                                                                                             |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                         |
| Specificity:  | This Mouse Hoxd10 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 201-230 amino acids from the Central region of mouse Hoxd10. |
| Purification: | Affinity purified                                                                                                                                                           |

## Target Details

|                                                                                     |                                            |
|-------------------------------------------------------------------------------------|--------------------------------------------|
| Target:                                                                             | HOXD10                                     |
| Alternative Name:                                                                   | HOXD10 ( <a href="#">HOXD10 Products</a> ) |
| Background:                                                                         | Name/Gene ID: HOXD10                       |
| Synonyms: HOXD10, Homeo box 4D, Homeobox protein Hox-D10, Hox-4.4, Homeobox protein |                                            |

### Target Details

|          |                                                                                  |
|----------|----------------------------------------------------------------------------------|
|          | Hox-4E, HOX4, Homeobox D10, HOX4D, HOX4E, Homeo box D10, Homeobox protein Hox-4D |
| Gene ID: | 3236                                                                             |

### Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, IHC, WB                                                                                                        |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
