

Datasheet for ABIN1904490  
**anti-IFNA5 antibody (AA 163-189) (PE)**

[Go to Product page](#)

## Overview

|                      |                                         |
|----------------------|-----------------------------------------|
| Quantity:            | 200 µL                                  |
| Target:              | IFNA5                                   |
| Binding Specificity: | AA 163-189                              |
| Reactivity:          | Human                                   |
| Host:                | Rabbit                                  |
| Clonality:           | Polyclonal                              |
| Conjugate:           | This IFNA5 antibody is conjugated to PE |
| Application:         | Western Blotting (WB), ELISA            |

## Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                    |
| Specificity:  | This IFNA5 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 163-189 amino acids from the C-terminal region of human IFNA5. |
| Purification: | Affinity purified                                                                                                                                                      |

## Target Details

|                   |                                                               |
|-------------------|---------------------------------------------------------------|
| Target:           | IFNA5                                                         |
| Alternative Name: | IFNA5 / Interferon Alpha 5 ( <a href="#">IFNA5 Products</a> ) |
| Background:       | Name/Gene ID: IFNA5<br>Family: Interferon                     |

### Target Details

|           |                                                                                                                                                 |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------|
|           | Synonyms: IFNA5, IFN-alphaG, IFN-alpha-5, INFA5, Interferon, alpha 5, INA5, Interferon alpha-61, Interferon alpha-G, LeIF G, Interferon alpha-5 |
| Gene ID:  | 3442                                                                                                                                            |
| Pathways: | <a href="#">JAK-STAT Signaling</a> , <a href="#">Hepatitis C</a>                                                                                |

### Application Details

|                    |                                                                                                                              |
|--------------------|------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                          |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                            |
| Restrictions:      | For Research Use only                                                                                                        |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
