

Datasheet for ABIN1905036

**anti-IL1RAPL2 antibody (AA 376-405) (APC)**[Go to Product page](#)

## Overview

|                      |                                             |
|----------------------|---------------------------------------------|
| Quantity:            | 200 µL                                      |
| Target:              | IL1RAPL2                                    |
| Binding Specificity: | AA 376-405                                  |
| Reactivity:          | Human                                       |
| Host:                | Rabbit                                      |
| Clonality:           | Polyclonal                                  |
| Conjugate:           | This IL1RAPL2 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA                |

## Product Details

|               |                                                                                                                                                                           |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                       |
| Specificity:  | This IL1RAPL2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 376-405 amino acids from the Central region of human IL1RAPL2. |
| Purification: | Affinity purified                                                                                                                                                         |

## Target Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Target:           | IL1RAPL2                                       |
| Alternative Name: | IL1RAPL2 ( <a href="#">IL1RAPL2 Products</a> ) |
| Background:       | Name/Gene ID: IL1RAPL2<br>Family: Interleukin  |

## Target Details

|          |                                                                                                                                                                         |
|----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|          | Synonyms: IL1RAPL2, IL-1R9, IL-1RAPL-2, IL1RAPL-2, Interleukin 1 receptor 9, IL1RAPL-2-related protein, IL-1-RAPL-2, IL-1R-9, IL1R9, TIGIRR-1, Interleukin-1 receptor 9 |
| Gene ID: | 26280                                                                                                                                                                   |

## Application Details

|                    |                                                                                                                              |
|--------------------|------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                          |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                            |
| Restrictions:      | For Research Use only                                                                                                        |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
