## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 200 µL                                   |
| Target:              | IL-22 (IL22)                             |
| Binding Specificity: | AA 44-73                                 |
| Reactivity:          | Human                                    |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This IL-22 antibody is conjugated to APC |
| Application:         | Western Blotting (WB), ELISA             |

## Product Details

|               |                                                                                                                                                                 |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                             |
| Specificity:  | This IL22 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 44-73 amino acids from the Central region of human IL22. |
| Purification: | Affinity purified                                                                                                                                               |

## Target Details

|                   |                                           |
|-------------------|-------------------------------------------|
| Target:           | IL-22 (IL22)                              |
| Alternative Name: | IL22 ( <a href="#">IL22 Products</a> )    |
| Background:       | Name/Gene ID: IL22<br>Family: Interleukin |

## Target Details

|          |                                                                                                                    |
|----------|--------------------------------------------------------------------------------------------------------------------|
|          | Synonyms: IL22, Cytokine Zcyto18, ILTIF, Interleukin 22, IL-22, IL-D110, TIFIL-23, Zcyto18, IL-TIF, Interleukin-22 |
| Gene ID: | 50616                                                                                                              |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB                                                                                                             |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
