**anti-KDM2B antibody (N-Term) (FITC)**[Go to Product page](#)

## Overview

|                      |                                           |
|----------------------|-------------------------------------------|
| Quantity:            | 200 µL                                    |
| Target:              | KDM2B                                     |
| Binding Specificity: | N-Term                                    |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This KDM2B antibody is conjugated to FITC |
| Application:         | ELISA, Immunohistochemistry (IHC)         |
