

Datasheet for ABIN1908003

**anti-KIAA1586 antibody (AA 187-216) (FITC)**[Go to Product page](#)

## Overview

|                      |                                                                                                                                        |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Quantity:            | 200 µL                                                                                                                                 |
| Target:              | KIAA1586                                                                                                                               |
| Binding Specificity: | AA 187-216                                                                                                                             |
| Reactivity:          | Human                                                                                                                                  |
| Host:                | Rabbit                                                                                                                                 |
| Clonality:           | Polyclonal                                                                                                                             |
| Conjugate:           | This KIAA1586 antibody is conjugated to FITC                                                                                           |
| Application:         | Western Blotting (WB), Flow Cytometry (FACS), Immunofluorescence (IF), ELISA,<br>Immunohistochemistry (IHC), Immunocytochemistry (ICC) |

## Product Details

|               |                                                                                                                                                                              |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                          |
| Specificity:  | This KIAA1586 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 187-216 amino acids from the N-terminal region of human KIAA1586. |
| Purification: | Affinity purified                                                                                                                                                            |

## Target Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Target:           | KIAA1586                                       |
| Alternative Name: | KIAA1586 ( <a href="#">KIAA1586 Products</a> ) |
| Background:       | Name/Gene ID: KIAA1586                         |

## Target Details

|          |                    |
|----------|--------------------|
|          | Synonyms: KIAA1586 |
| Gene ID: | 57691              |

## Application Details

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, Flo, ICC, IF, IHC, WB                                                                                          |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                               |
| Restrictions:      | For Research Use only                                                                                                           |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
