

Datasheet for ABIN1908747

**anti-KREMEN1 antibody (AA 6-37) (HRP)**[Go to Product page](#)

## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 200 µL                                                   |
| Target:              | KREMEN1                                                  |
| Binding Specificity: | AA 6-37                                                  |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This KREMEN1 antibody is conjugated to HRP               |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                                                                                                                                       |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                   |
| Specificity:  | This Kremen antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 6-37 amino acids from the N-terminal region of human Kremen. |
| Purification: | Affinity purified                                                                                                                                                     |

## Target Details

|                   |                                                                             |
|-------------------|-----------------------------------------------------------------------------|
| Target:           | KREMEN1                                                                     |
| Alternative Name: | KREMEN1 / KREMEN ( <a href="#">KREMEN1 Products</a> )                       |
| Background:       | Name/Gene ID: KREMEN1                                                       |
|                   | Synonyms: KREMEN1, Dickkopf receptor, KREMEN, Kremen protein 1, KRM1, KREM1 |

### Target Details

|           |                               |
|-----------|-------------------------------|
| Gene ID:  | 83999                         |
| Pathways: | <a href="#">WNT Signaling</a> |

### Application Details

|                    |                                                                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, IHC, WB<br><br>Usage: The applications listed have been tested for the base form of this product. Alternate forms, such as conjugated, azide-free, or ready-to-use, have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                                                                      |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, pH 7.2. No preservative added (azide free)                                                                                |
| Preservative:    | Azide free                                                                                                                     |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
