

Datasheet for ABIN1916875

**anti-NET1 antibody (AA 356-385) (Biotin)**[Go to Product page](#)

## Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 200 µL                                     |
| Target:              | NET1                                       |
| Binding Specificity: | AA 356-385                                 |
| Reactivity:          | Human, Mouse                               |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This NET1 antibody is conjugated to Biotin |
| Application:         | ELISA, Western Blotting (WB)               |

## Product Details

|               |                                                                                                                                                                   |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                               |
| Specificity:  | This NET1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 356-385 amino acids from the Central region of human NET1. |
| Purification: | Protein A purified                                                                                                                                                |

## Target Details

|                   |                                                                                   |
|-------------------|-----------------------------------------------------------------------------------|
| Target:           | NET1                                                                              |
| Alternative Name: | NET1 ( <a href="#">NET1 Products</a> )                                            |
| Background:       | Name/Gene ID: NET1<br><br>Synonyms: NET1, ARHGEF8, NET1A, Proto-oncogene p65 Net1 |

### Target Details

|           |                                                |
|-----------|------------------------------------------------|
| Gene ID:  | 10276                                          |
| Pathways: | <a href="#">Neurotrophin Signaling Pathway</a> |

### Application Details

|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, WB<br><br>Usage: The applications listed have been tested for the unconjugated form of this product.<br>Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                                                          |
| Restrictions:      | For Research Use only                                                                                                                                      |

### Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
