

Datasheet for ABIN1918980  
**anti-NUMBL antibody (AA 572-600) (FITC)**

[Go to Product page](#)

## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 200 µL                                                   |
| Target:              | NUMBL                                                    |
| Binding Specificity: | AA 572-600                                               |
| Reactivity:          | Human                                                    |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This NUMBL antibody is conjugated to FITC                |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC) |

## Product Details

|               |                                                                                                                                                                        |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                    |
| Specificity:  | This NUMBL antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 572-600 amino acids from the C-terminal region of human NUMBL. |
| Purification: | Protein A purified                                                                                                                                                     |

## Target Details

|                                                                                          |                                                     |
|------------------------------------------------------------------------------------------|-----------------------------------------------------|
| Target:                                                                                  | NUMBL                                               |
| Alternative Name:                                                                        | NUMBLIKE / NUMBL ( <a href="#">NUMBL Products</a> ) |
| Background:                                                                              | Name/Gene ID: NUMBL                                 |
| Synonyms: NUMBL, CTG3a, NBL, Numb homolog-like, Numb-like protein, Numb-related protein, |                                                     |

## Target Details

|           |                                                                                                        |
|-----------|--------------------------------------------------------------------------------------------------------|
|           | NUMB-R, NUMBLIKE, TNRC23, Numb (Drosophila) homolog-like, NUMBR, CAG3A, Numb homolog (Drosophila)-like |
| Gene ID:  | 9253                                                                                                   |
| Pathways: | <a href="#">Cell-Cell Junction Organization</a>                                                        |

## Application Details

|                    |                                                                                                                              |
|--------------------|------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Approved: ELISA, IHC, WB                                                                                                     |
|                    | Usage: The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
| Comment:           | Target Species of Antibody: Human                                                                                            |
| Restrictions:      | For Research Use only                                                                                                        |

## Handling

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                         |
| Concentration:   | Lot specific                                                                                                                   |
| Buffer:          | PBS, no preservatives added                                                                                                    |
| Preservative:    | Without preservative                                                                                                           |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:         | 4 °C,-20 °C                                                                                                                    |
| Storage Comment: | Short term: store at 4°C. Long term: aliquot and store -20°C for up to 6 months. Avoid freeze-thaw cycles. Protect from light. |
| Expiry Date:     | 6 months                                                                                                                       |
